Meet Your Family

My name is LaToya Thomas and I am a 31 year old single mother of two beautiful children. Currently I am employed with Baptist General Convention of Texas and love to be in church and involved in church activities. In my free time I find reading and keeping up with the news and current events around me very enjoyable. I also love to provide for my family.

My son Richard is 7 yrs old. He likes to watch wrestling and playing football. He is in the 1st grade and plays football as a running back & lineman. In school he makes A's & B's in all of his subjects and has become an excellent reader.

My daughter, Aspen, is 5 yrs old and she likes teaching others at home and school. She has a great imagination for her age. Her favorite characters are Dora & the Bratz. She is a loveable and talkative little girl. She is a kindergarten and she has also become an excellent reader.

As a family we love to go bowling, and enjoy playing board games and card games during family nights together.

Thank you note from the family:

I would like to thank everyone involved in making it possible for me and my children to be able to afford a house that we can call home. We are so grateful and thankful for people like you. If it had not been for the hard work that has been done we would not have this opportunity. I would like to thank Dallas Area Habitat for Humanity, the volunteers, and my sponsor. Thank you so much and God bless every one of you.
